**Recommendation Letter for Ho Miu Sze Gianna** Class Lower 2

Gianna is an outstanding student whose intelligence is reflected in her impressive academic achievements, of which she should be very proud. She has performed consistently well, excelling in all areas of the curriculum.

Gianna displays a particular aptitude for Chinese language and she is developing her English language skills steadily. She expresses herself with impressive fluency and loves sharing thoughts and ideas with the class. Her knowledge of phonics is great and this has helped her to read with fluency at a very high level.

Gianna has worked diligently during her formative years at St. Catherine's and always produces work of a high standard. Her written work is neat and her artwork reflects a very high degree of creativity and skill. She displays very good numeric skills and in particular is good at mental arithmetic.

Confident and eager, Gianna enjoys participating in class and readily answers questions. She has established a good rapport with her classmates and interacts well in the classroom. She has a wonderful sense of humour and a cheerful disposition.

Gianna's behaviour is always excellent. Polite and thoughtful, she listens well and always tries her best. In addition to her outstanding academic ability, Gianna has acquired the skills to excel in Primary school and I have no hesitation in recommending her to your school.

Yours sincerely,

Mrs C.L. Chan

Headmistress
